

MEKALA SIVARAM

LinkedIn: <https://www.linkedin.com/in/mekala-sivaram>

GitHub: <https://github.com/Mekalasivaram>

Email: mekalasivaram19@gmail.com

Mobile: +91-6300491649

SKILLS

Languages:	Python, C++, C, Java, JavaScript, HTML, CSS
Frameworks:	React.js, Node.js,
Tools and Platforms:	MySQL, MongoDB, Linux, Git, GitHub
Cloud and APIs:	AWS, REST API Integration, Render (Cloud Deployment)
Coursework:	Database Management Systems, Object-Oriented Programming, Software Development Computer Networks, Operating Systems, Data Structures & Algorithms
Soft Skills:	Problem-Solving, Team Collaboration, Adaptability, Critical Thinking, Communication

PROJECTS

- ServiceGo – On-Demand Service Marketplace Platform** | [GitHub](#) | [Live](#) August – 2026
- Architected a full-stack marketplace enabling 100+ users to search and book home services, implementing role-based access control, JWT authentication, Google OAuth, and Razorpay payment gateway integration
 - Designed scalable system architecture with Redis caching to optimize response times and reduce database load
 - Deployed Next.js frontend on Vercel and containerized Node.js backend on AWS using Docker, implementing REST APIs, MongoDB Atlas, and CI/CD for zero-downtime releases
- Tech:** React.js, Next.js, Node.js, Express.js, MongoDB, MySQL, Redis, Google OAuth, REST APIs, Docker
- WellConnect – Integrated Health & Mindfulness Portal** | [GitHub](#) | [Live](#) January – 2026
- Built a centralized full-stack wellness platform delivering personalized mental health resources, increasing user engagement by 20% through responsiveness component-driven React.js UI and JWT-secured authentication
 - Orchestrated scalable backend using Node.js, Express.js, and MongoDB, securing APIs with role-based access control
- Tech:** React.js, Node.js, Express.js, MongoDB, MySQL, REST APIs, MVC, JavaScript
- Online Mentor – Student Collaboration Platform** | [GitHub](#) | [Live](#) November – 2025
- Developed a full-stack mentor–student collaboration platform using Laravel MVC, enabling students to discover mentors and book personalized mentoring sessions.
 - Implemented role-based authentication and authorization for Students, Mentors, and Admin, with secure booking management, OTP-based session verification, ratings, and feedback.
 - Created an Admin Dashboard to manage mentors, students, bookings, and platform activities, with database-driven CRUD operations and responsive user interfaces.
- Tech:** Laravel, PHP, MySQL, MVC, HTML, CSS, JavaScript, Github

TRAINING

- Summer Training in CPP & Object Oriented Programming** - [Certificate](#) July 2025 – August 2025
- Solved 100+ structured and real-world programming problems using C++, strengthening logical thinking and problem-solving skills.
 - Applied core Object-Oriented Programming concepts, including classes, inheritance, polymorphism, encapsulation, and abstraction, to develop structured applications.
 - Developed a Library Management System using file handling, STL vectors, dynamic memory, and a menu-driven interface to implement practical programming concepts.

CERTIFICATES

- PHP with Laravel for Beginners – Become a Master in Laravel | [Udemy](#) January – 2026
- Peer-to-Peer Protocols and Local Area Networks | [Coursera](#) September - 2024
- Legacy Responsive Web Design V8 Certification | [FreeCodeCamp](#) December - 2023

ACHIEVEMENTS

- Coding Enthusiast** August 2024 - Present
- Solved 200+ Leetcode problems demonstrating proficiency in data structures, algorithms, problem-solving and computational logic optimization

EDUCATION

- Lovely Professional University** Phagwara, Punjab
Bachelor of Technology in Computer Science and Engineering; **CGPA: 7.39** August 2023 - Present
- SRJunior College** Guntur, Andra Pradesh
Intermediate; **Percentage: 96.4%** April 2021 - March 2023
- Tirumala Oxford EM School** Piduguralla, Andra Pradesh
Matriculation; **Percentage: 100%** April 2020 – March 2021
